About us

The Expat Experts is a voluntary association officially registered in Frankfurt in 2022. We have been active as a closed group of professionals since 2019. Now as a registered association, we keep pursuing public purposes to support career development, professional growth and to promote diversity in the workplace.

Today, Expat Experts e.V. is a community of over 100 highly qualified professionals from various industries. We are based in Germany and united by common knowledge of the Russian language. We are committed to supporting all of our members on the path to their career success in Germany.
